Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for People's Community Clinic Electronic Health Records in fiscal year 2023. The entity to receive funding for this project is People's Community Clinic located at 1101 Camino La Costa, Austin, Texas 78752.

The funding would be used to support evaluation and migration to a new electronic health record (EHR) system. Through this engagement, People's expects to streamline business and clinical workflow design, adoption of data governance and management strategies health centers need to advance new modernized care delivery models and demonstrate measurable health equity, and agile reporting and data validation.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Lloyd Doggett
